### **DETAILED ACTION**

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

#### ***Claim Rejections - 35 USC § 112***

Claims 15-17, 20, 24, 26 and 39-46 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

15 reads as if the borate is applied prior to incorporation, if not true, Tiernan at least would be obvious; if correct, then 45 does not further limit, & 46 is contrary, unless double coverage is done, & supported in the specification. All claims depend on 15, thus are also rejected as indefinite.
